Student Skydiver Declaration and Risk Acknowledgement

This declaration applies to individuals undertaking **skydiving training** at a British Skydiving affiliated Parachute Training Organisation.

By commencing training, you confirm that you have read and agree to the following.

1. Acknowledgement of Risk

Skydiving training is an inherently dangerous activity.

Even when conducted with appropriate instruction, supervision and equipment, participation carries a **risk of serious injury or death**. By undertaking skydiving training, you voluntarily accept these risks.

2. Compliance with Instructions

Student skydivers must:

- follow all instructions given by instructors and authorised personnel
- comply with all [operational](#) and safety procedures
- participate only in training authorised by a **British Skydiving affiliated Parachute Training Organisation**.

[View our Code of Conduct](#)

3. Medical Fitness

Students must ensure they are **medically fit to undertake skydiving training**.

Students must complete the required **medical self-declaration or medical certification** before commencing training.

If a student's health changes in a way that may affect their ability to skydive safely, they must seek appropriate medical advice and inform their instructor before continuing.

Medical requirements and forms are available on form 115C.
